Ousaka Ryouhei

A first year at Shinmeitaka High. Put simply, he has a voice fetish. Apparently he'll remove and listen to any voice he takes a liking to from anime or movies.

The Miyahara-san I've seen up until now was a robot.
And the real one is at home, remotely operating her!?
As if I can believe such a ridiculous SF setting!!

あらすじ　グラズでひとり存在が薄い少女・雪原チコ。彼女が屋上から転落しそうになっているところを桜坂が救う。それが縁で2人の仲は急速に深まるが、雪原が事故死した　はずだったが　「復活」その理由を本人に尋ねると、自分が「ロボット」だと告白し……。

Miyahara Chiko

Ousaka's classmate. Put simply, a robot. Apparently her real self is at home controlling the robot.

I mean, no matter how you look at her, she's a human!
If she's actually a machine, then wouldn't that mean that she's got cutting edge technology from the future in her or something?
